Future Expansion:

Luxus Green Mobility is proud to announce the upcoming launch of its manufacturing units across key states in India. Soon, our state-of-the-art facilities will be established in Maharashtra, Gujarat and Delhi. This strategic expansion aims to strengthen our commitment to delivering innovative and sustainable electric mobility solutions, while boosting local economies and contributing to a greener future. Stay tuned as we drive the future of transportation across India!

We are pleased to announce that our manufacturing unit in Chhattisgarh is already fully operational. This facility plays a crucial role in our mission to deliver high-quality, sustainable electric mobility solutions, further strengthening our presence in the region and contributing to the green revolution.
